● **Changes to bulletin 2**

It has come to our attention that there is a mistake in the German translation of bulletin 2 in regard to the participation fee. The correct translation is that the participation fee includes 4 Abendessen and not 4 Mittagessen. We apologise to the German participants for any misunderstanding the translation may have caused.

As mentioned in bulletin 2, participants in the petanque tournament can participate in doubles and triples or both. If you wish to participate in the petanque tournament please make a note on your registration form as to which of these competitions you would like to participate in.

● **Import of air pistols and air rifles**

It is important that the participants in the air pistol and air rifle tournaments, contact their local police before departure as some countries may have specific rules regarding travelling in and out of the country with air pistols and air rifles. The Danish police does not require a weapon's pass when travelling to Denmark with air pistols and air rifles, but your own country may.

The European Company Sports Games 2007 organisation wishes you a Merry Christmas and a Happy New Year.

It is with great anticipation that we prepare for the European Company Sports Games 2007 in Aalborg. We look forward to an unforgettable and positive experience.
