

## ● Registrations

We are pleased to announce that we have received 5.194 final registrations for the European Company Sports Games 2007 in Aalborg.

We are very proud that so many wish to join us for the games in Aalborg. We look forward to 4 exciting and festive days in Aalborg.

We would like to thank the participants and contact persons for their collaboration on retrieving the information required to register the company sportsmen and women successfully.

## ● Sponsor

Sterling Airways A/S is the official airline of the European Company Sports Games 2007 in Aalborg. Sterling Airways A/S has flights from 32 destinations around Europe to Denmark making it very easy for the ECSG 2007 participant to reach the games in Aalborg.

Visit Sterling's website: [www.sterling.dk](http://www.sterling.dk) for specific destinations and prices.

## ● Transport

### Transfer

Hotel transfer is arranged on the 26 – 27 June 2007 and on the 1 – 2 July 2007 for the participants who have booked their accommodation through the ECSG 2007 organisation and arrive and depart via Aalborg Airport, Aalborg Railway Station and Aalborg Bus Station. Some teams have not indicated type of transport and arrival/departure times on the registration form. Please forward this information to the secretariat as soon as possible.

### ECSG 2007 shuttle bus service

During the games, a free ECSG 2007 shuttle bus service, independent of the local public transport system, will continuously and throughout the day transport all participants to and from all the hotels, sports facilities and the Aalborg Congress and Culture Centre. The bus schedule and bus routes will be published in Bulletin 3 and on our website: [www.ecsg.aalborg.dk](http://www.ecsg.aalborg.dk)

### Night busses

Besides the transport arranged from the Aalborg Congress & Culture Centre at 23.30, a special night bus route with two different departure times will be organised for the participants, staying outside a 20 km radius of the city of Aalborg, who would like to experience the Aalborg night life.

## ● Accommodation

The ECSG 2007 organisation has worked nonstop to accommodate the participants and to register the participants for a sports discipline. Our objective was to accommodate all 5.194 participants according to their wishes. However, due to the large number of registrations we have been forced to accommodate some participants in another category or outside a 20 km radius of the city of Aalborg.

The participants in question have been contacted, and we thank the participants for the understanding they have shown for the challenging task it has been to accommodate so many people.

## ● Sports disciplines

We can inform you that we have received enough registration to carry through the sports disciplines offered in bulletin 2. In a few sports disciplines, we have had to cancel a specific age division. The teams in question have been contacted and offered participation in another division.

During the next months our sports representatives for each sports discipline will plan the tournament programme in detail. The tournament programmes will be published on our website: [www.ecsg.aalborg.dk](http://www.ecsg.aalborg.dk)
